Application Comments: Interested parties may submit written comments regarding the specific use proposed in the application and site plan, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a roadside rest area.

Comments, including names, street addresses, and other contact information of respondents, will be available for public review. Individual respondents may request confidentiality. If you wish to request that the BLM consider withholding your name, street address and other contact information, *e.g.*, Internet address, FAX or phone number, from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. The BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. The BLM will make available for public inspection in their entirety all submissions from organizations and businesses, and from individuals

identifying themselves as representatives or officials of organizations or businesses.
